Brush Stuff Roller & Brush Conditioner
Tube BRUSH ST.

Up to 100 uses per tube, preventing paint cling with better brush performance and longer brush and roller life.

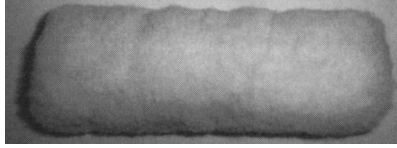

Fast and easy clean-up for natural and synthetic bristles.

Brush Stuff

A unique product that helps decorators clean and maintain brushes and roller covers, prolonging equipment life and reducing clean-up time. Applied to quality brushes before use, Brush Stuff coats the bristles, making the brush more supple and prevents paint and stain from sticking. Paint washes off quickly and when stored, brushes stay soft.
